Dear Ms Hancock

**Application for Registration of Academy of Learning SA (Pty) Ltd  
as a Private Further Education and Training College**

Thank you for your application for the registration of *Academy of Learning SA (Pty) Ltd* as a private FET College.

Given that a final determination has not yet been made on the application for the registration of *Academy of Learning SA (Pty) Ltd*, I have taken the decision to grant your institution the authority to continue to offer its FET qualifications without registration until its application has been finalised. This means that, pending the outcome of its application, *Academy of Learning SA (Pty) Ltd* can continue to offer FET qualifications after the end of the transitional arrangement period.

Pursuant to this decision, the name of your institution and a list of its FET qualifications will be placed on the website of the Department of Education to make the public aware that your institution is operating legitimately as a provider of FET qualifications.

Your willingness to co-operate with the Department to improve the quality of education provision in South Africa is highly appreciated.

Should you require any further information in this regard, please do not hesitate to contact our Call Centre on 012 312 5878.

Yours sincerely

**Mr D B Hindle  
Director-General**
